HELLO INDESTRUCTIBUBBLE

MULTI BUBBLE NOZZLE

The Multi Bubble Nozzle is a patented attachment, designed specifically for the Pro 2 Aroma Gun. Compatible with Pro 2.4.1 and later models, the magnetic interchangeability allows users to effortlessly switch between single and multiple bubbles based upon their nozzle of choice.

Strength in numbers, add durability to your existing aroma bubble.

Allow guests to pop bubbles one at a time.

Our honeycomb shaped bubbles allow you to place a straw in a drink without bursting and losing your precious aroma.

BENEFITS

MAGNETIC

An easy attachment you can change between serves.

UNIQUE

An original patented design to create honeycomb bubbles.

Multi Bubble Nozzle

info@flavourblaster.com

DOUBLE THE BUBBLE

Featuring a patented honeycomb design, the Multi Bubble Nozzle allows users to create a tower of aroma filled bubbles that can be enjoyed at the guest's pace.

Multiple bubbles increase the durability and robustness of the garnish, enabling bubbles to withstand challenging environments such as outdoors, sharp ice, high ABV and straws. Transporting drinks with bubbles has never been easier!

CHOOSE GOLD OR BLACK

SERVE UP A STORM

CLOUD NOZZLE

A more controlled, denser way to deliver aroma with the Cloud Nozzle. Designed for our Pro 2 Aroma Gun as part of our expanding magnetic nozzle range, the Cloud Nozzle uses innovative technology to slow down the delivery of aroma to allow it to settle in a thick, dense cloud wherever it is served. Ideal for shallow vessels where the aroma is intended to sit for dramatic effect, such as plates, bowls and shallow glassware.

Coming
Soon

BENEFITS

INSTANT FOG

Swap the nozzle in seconds to create fog.

IMPACT

Great for photography and video.

Magnetic Nozzle allows for a smooth transition in service.

Perfect tool for the Chef X Kit, creating a thicker fog.

Use up to 20+ Aromas on your menu, for the ultimate sensory experience.

SWITCH IT UP

LIGHTBULB

Watch your guests light up with the Lightbulb, an innovative, interactive way to add aroma to drinks. Used with our Aroma Gun and LED Coaster, an aroma bubble cascades over your glowing drink at the push of a button. USB-charged and designed to keep the drink pure, with no contact to liquid or glass.

When used with the LED Coaster you can customise for any occasion to suit branding or mood.

BENEFITS

PURE & SIMPLE

Aroma without contact, keeping drinks pure, ideal for whisky.

EASY

Integrates with existing Flavour Blaster tools for effortless, repeatable service.

Coming Soon

6hrs continuous battery life, for smooth service.

Use up to 20+ Aromas on your menu, for the ultimate sensory experience.

Perfect for table service and activations.

ACCESSORIES

Compatible with the LED Coaster collection, so you can customise your serve with ease.

CONCEAL & REVEAL

LANTERN

Drink service just got interesting with our Lantern! Designed to be used alongside our LED Coaster and Aroma Gun, reveal your drink from within a glowing lantern, complete with billowing aroma.

With an easy wipe clean, water resistant fabric body, our Lantern has been designed to endure the test of time!

Coming Soon

Simple to use, with an impressive reveal that fits seamlessly into service.

Use with 20+ Flavour Blaster aromas to tailor each serve to your menu.

Light, aroma and presentation combine for maximum impact at the table.

BENEFITS

QUICK & EASY

Create a powerful wow moment in seconds, without slowing down service.

UNIQUE

Serve cocktails in a way your guests have never experienced.

REPLACEMENTS

You can shop replacement shades in different colours to tailor to your serves.

ACCESSORIES

Compatible with the LED Coaster collection, so you can customise your serve with ease.

RE THINK YOUR DRINK

3D PRINTING

Bring your concepts to life with 3D printing. We offer a wide range of unique 3D printed accessories to complement your menu. Ideal for drink transportation, with some serving as a functional cloche to capture aroma within. Each concept is compatible with our existing product range for best results.

BAUBLE CLOCHE

Merry and bright, lift the lid on magic.

GOLF BALL

Whole in one!

MOON CLOCHE

Out of this world.

BASEBALL CLOCHE

Home Run!

BASKETBALL CLOCHE

Dunk and drink!

READY TO HIT THE DANCEFLOOR

DISCO BALL

A Disco Ball cloche turns every serve into a mini party! Sparkle, shine and surprise your guests with show-stopping reveals. Choose from four vibrant colourways, all fully compatible with the Flavour Blaster LED Coaster for custom light-up magic on every cocktail.

SUNBURST

Vibrant and tropical.

COPPER GOLD

Rich and luxurious.

CLASSIC MIRROR

The original icon.

PASTEL

Dreamy, candy colours.

BRING CONCEPTS TO LIFE

Our 3D-printed concepts are designed to transform ideas into unforgettable serves. From playful presentation pieces to functional cloches that trap and release aroma, each design enhances theatre at the table. Created to work seamlessly with the Flavour Blaster range, these concepts elevate menus, spark conversation and turn every serve into an experience.

JET CHILL DRY ICE SYSTEM

The JetChill Dry Ice System creates safe to drink, food grade dry ice on demand, directly using CO₂ with a dip tube/siphon to eliminate the need for pellets.

Enhanced with multiple safety features, the JetChill's patented design enables drinks to safely interact with dry ice powder without any direct contact from either the guest or server.

Compatible with all JetChill Drinkware, simply add Drinkware to probes and press the button to inject dry ice into the safety chamber of each glass. Includes JetChill Dry Ice System, all necessary tools, and built in safety features for professional environments.

SAFETY FIRST

With safety as a top priority, the device creates food-grade dry ice, ensuring it is perfectly safe for direct contact with beverages.

Chills drinks to zero degrees without dilution.

Rapid charging, creates instant dry ice on demand.

Effects last up to 3 minutes, plenty of time to gather customer attention.
